Ref: CVASU/Micro/LS21/2017/01

Date: 1/6/2017

Notice for inviting application to enroll a PhD Fellow under the BAS-USDA funded project "Detection and molecular characterization of highly pathogenic H5N1 and low pathogenic H9N2 avian influenza viruses and their relative impacts on commercial poultry farms (BAS-USDA PALS CVASU LS-21)"

Applications are invited from the eligible Bangladeshi candidates for a PhD Fellow Position to work for the project period of three years. The period of contact will be effective after confirmation of the admission of the applicant as a PhD student under the Department of Microbiology and Veterinary Public Health, Chittagong Veterinary and Animal Sciences University (CVASU) according to the procedures and rules of CASR of the university.

Eligibility for applicant: An applicant must have a DVM degree and either an MS/MSc or MPhil degree in microbiology with thesis obtaining at least a second class or a CGPA of B+ (3.25) in the semester system from this or any other recognized universities determined by CASR of this university. Other criteria and/or conditions, as time-to-time set by CASR of the university on the enrollment of PhD students will also be applicable for final admission of a successful applicant as the PhD student/fellow. Experience in working on avian pathogens using PCR or RT-PCR is preferable. Good proficiency in English - both in writing and speaking communications is also required.

Fellowship/Stipend: BDT 20,000 (twenty thousand)/month (Consolidated) for a period of three years (subject to satisfactory assessment of the funder).

Documents to be submitted along with the application: Attested copies of all academic certificates and mark sheets/transcripts of all passed examinations, job experience certificates, copies of publications or any articles submitted to any journals for publication, a CV, copy of the national ID card and two copies of passport sized photographs.

Last date of submission of application: 14 June, 2017

Address of Submission: Professor Dr. Paritosh Kumar Biswas, Department of Microbiology and Veterinary Public Health, Chittagong Veterinary and Animal Sciences University, Zakir Hossain Road, Khulshi, Chittagong & Principal Investigator, Project Ref. No.: BAS-USDA PALS CVASU LS-21
